## Trust in God can help us overcome fear.

The healing of the suffering woman required no words from her; she simply trusted in the power of Jesus. Even after news came that his child was dead, Jairus was encouraged by Jesus to have trust. Likewise, when we feel afraid we, too, must have trust in the Lord. It is *good* that God desires for us; we can be sure of that.

### Canada Day – July 1<sup>st</sup>

July 1 is celebrated as Canada's birthday. Canadians should seek to be witnesses to Christ in Canada and the world, and to continue working to influence those in government to act from Christian principles and attitudes.

Christians, realizing they do not have a lasting home here, should pray and work for justice and peace in Canada and throughout the world, so that all God's people may share in the goods of this earth. God's kingdom will come only when all people are ready to let Christ's teaching guide and rule their lives and actions.

### St. Thomas – July 3<sup>rd</sup>

When it comes to spiritual matters, it might be nice to be able to say we've never experienced doubts, but most of us would be lying. It may be a fleeting thought or it may be a longer, darker night of the soul, but most of us have at least wondered about the mysteries of the universe, including the existence of God. Even when we think we've got it figured out, we may still experience moments when questions loom larger than answers.

St. Thomas had those same feelings. The only difference is that we can sometimes keep our doubt's hidden; St. Thomas's uncertainty has become associated with someone who questions everything – a doubting Thomas.

When Jesus appeared to his apostles after the resurrection, Thomas wasn't present. When he heard the news, Thomas refused to believe it unless he could touch Jesus's wounds himself. Eight days later, much to his shock, Jesus appeared and invited him to do just that.

Thomas was able to have his doubts resolved by a personal visit from Jesus. Most of us won't have that same privilege, but through the eyes of faith, we can pass from disbelief to conviction. After all, when Thomas fell on his knees, saying "My Lord and My God," Jesus answered, "Because you have seen me, Thomas, you have believed. Blessed are they that have not seen and have believed."

## Parish Project Update

The Finance Committee had a meeting last Thursday with the Architect Company, Construction Manager, and with Gary Chen from the Department of Culture and Community Spirit. There was a long and good discussion with lots of information and updates. Everything about the church building and its need of repairs: the steeple and the north roof (that's where we have the leaking problems). We continue as a Finance Committee to explore different ways to deal with this. Though all the details and cost may seem to be overwhelming at times, we believe with all the assistance and help coming from different directions as well as with God's help...and the help of St. John Baptist, we can do what we ought to do and preserve our beautiful church. We are open to some ideas of possible fundraising as well as we welcome anyone with valuable thoughts to please talk to any of the Finance Committee members or fr. Ignacy. We are looking at a total cost of the 2 projects at approx. \$400,000.00. We are thankful for all your support shown in many ways, through donations with the Restoration & Maintenance envelopes or outside of that, but we need your continuous support to make these projects happen.
