The Holy Spirit stands at our side to defend us from the snares of the Evil One.

Whom do we rely on to help us make sense of everyday life? Are we do-it-yourselfers? Or do we turn to others in times of trouble or when we need to make a decision? How does God figure in the decisions we make throughout our lives? Jesus sent us the Holy Spirit to guide us in the way of his truth.

The Month of May 2013

The month of May is dedicated to **The Blessed Virgin Mary**. The first 19 days of the month fall within the liturgical season of **Easter**, which is represented by the liturgical color white — the color of light, a symbol of joy, purity and innocence (absolute or restored). The remainder of the month (beginning the Monday after Pentecost) is in **Ordinary Time** which is represented by the liturgical color green. This symbol of hope is the color of the sprouting seed and arouses in the faithful the hope of reaping the eternal harvest of heaven, especially the hope of a glorious resurrection.

"In the hierarchy of holiness it is precisely the 'woman', Mary of Nazareth, who is the 'figure' of the Church. She 'precedes' everyone on the path to holiness; in her person 'the Church has already reached that perfection whereby she exists without spot or wrinkle'".

— *JOHN PAUL II* Mulieris Dignitatem, 1988

Fidelity Day 2013

The celebration will take place on Sunday May 26th. It is a celebration for all the graces received during the years of marriage.

THANK YOU! MERCI!

Here's hope!

Pornography has become a significant problem for many people in our culture. It is ever available and quite addictive. It harms the viewer - spirit, mind, body, relationships, productivity - and it harms our society, weakening individuals, marriages and families. Few people want to talk about, or hear anything about the scourge of pornography. However, we must address this problem rather than pretend that it is not so bad. A majority of families, are negatively impacted by this easily accessible, highly addictive digital drug.

we have the opportunity to hear a couple speak honestly about the struggle and damage they experienced from Bruce's addiction to pornography. They will also explain the brain science behind pornography and will reveal ways to prevent problems and to recover if one is already feeling trapped.

Camp is loaded with activities, as well as a great place to reconnect, continue or begin a beautiful faith journey with God. Canada Health Day – May 12th

Canada Health Day is celebrated in health care facilities and community services across the country. All Christians should celebrate and pray for the gift of health – physical, emotional, social and spiritual. This day reminds us that health and healing are essential aspects of our baptismal vocation. We are called to take responsibility for our personal health: to prevent illness and to seek a healthy life-style. Health means concern for the health for our communities, respect for God's creatures and the nurturing of the whole earth.

World Communications Day – May 12th

Today Catholics are invited to reflect upon the media of social communication (films, radio, television, newspapers, audiovisuals) and how these influence our lives.

The media can promote values that lead to a more fully human society. The Church's ministry is twofold. The media can be used to help promote the Gospel. At the same time, as receivers of the materials presented by the media, the faithful have a duty to support and promote worthwhile presentations on media and reject those which promote values contrary to spiritual growth.
