We, too, share in the Resurrection of Jesus.

Death is not the end. God has power over death. The theme in all our readings today is *resurrection*. If we allow the Spirit of Christ to direct us, we will share in the Resurrection of Jesus. Faith calls us to allow the Spirit, which dwells in us, to move us to live in holiness, so that we may share in the eternal life Christ won for us.

For those who could not attend the parish confessions, there will be additional time on **Friday, April 11th from 5:45 to 6:45 pm**, followed by Way of the Cross at 7pm Please invite your loved one and those who really need to be touched by God's mercy to experience His loving care. Please also encourage and give chance to your children to meet merciful Lord.

Development and Peace 2014

The bishops of Canada endorse the Canadian Catholic Organization for Development and Peace. Each Lent, in co-operation with other churches, they continue to bring the needs of the Third World before the people of our country and encourage all to respond to God's generosity by supporting the works of CCODP.

On the 5th Sunday of Lent, a collection is taken up for developing countries. Christians are urged to share their goods with others and thus express in a concrete way their desire to come closer to God and all God's children as a result of their Lenten efforts. The offering should reflect the money saved through penitential fasting and set aside for God's people.

While the importance of this action for others should be emphasized, it should be kept within the framework of Lenten practice. External and social penance is encouraged by the Church and can be expressed through this collection.
