## Focus of the Sunday Readings

*We should live our lives based on our love of God, our neighbors and our self.*

The definition of love has carried many different meanings throughout history. We don't need a degree in psychology to be able to know authentic love. We can look to those we know to find the meaning of true love. The greatest example of love is Jesus. Sure models of true love are Mary and the saints.

In our first reading, Moses lays before the Israelites the laws that pertain to their relationship with those who are less fortunate. Saint Paul acknowledges the work of the missionaries and the Christian community in spreading God's word. In today's Gospel, Jesus answers the Pharisees' question: *Which commandment in the law is the greatest?*

### October: Month of the Holy Rosary

The month of October each year is dedicated to the Most Holy Rosary. This is primarily due to the fact that the liturgical feast of Our Lady of the Rosary is celebrated annually on October 7. It was instituted to honor the Blessed Virgin Mary in gratitude for the protection that she gives the Church in answer to the praying of the Rosary by the faithful.

The feast was introduced by Pope St. Pius V (1504-1572) in the year 1571 to commemorate the miraculous victory of the Christian forces in the Battle of Lepanto on October 7, 1571. The pope attributed more to the "arms" of the Rosary than the power of cannons and the valor of the soldiers who fought there.

Legend tells us that the Rosary as a form of prayer was given to St. Dominic (1170- 1221) by Mary, the Mother of Our Lord, who entrusted it to him as an aid in the conflicts with the Albigensians. The Dominican pope, St. Pius V, did much to further the spread of the Rosary and it thereafter became one of the most popular devotions.

## **November 2<sup>nd</sup> Mass in Westlock**

In the planning of the Mass for the year of the Family, in order to encourage as many of you as possible to attend we realize that many if not most of you will be able to get to Westlock in your own vehicles. There are some however who may not have their own transport so today and for the next couple of Sunday's we are asking that those who need a ride to place their names on a sheet at the back of the Church. If there are any of you who will be going and have space in your vehicles to take one or more parishioners to the Mass, there is a separate sheet for you to write down your names and the number of spaces you may have available.

If the number of people requiring rides exceeds the number of spaces available in others' cars we will seek to find a bus or busses to transport people. There will be a charge for the busses. We sincerely hope that as many of our parishioners as possible attend this special Mass at 3pm on November 2<sup>nd</sup>. It will be celebrated by the Bishop and all the priests of the Deanery.

## **From the CWL**

The CWL have been approached by the Pet Therapy Society to sew scarves for the dogs who visit hospitals, and senior centres. I would like to see if there is enough interest to have a work bee one evening. We need cutters, sewers, pressers, etc. to create as many of these puppy scarves as possible within a three hour period. If you are able and interested please call Betty McGrath at 780-939-3428.
