Canada Health Day – May 12

Canada Health Day is celebrated in health care facilities and community services across the country. This day reminds us that health and healing are essential aspects of our baptismal vocation. We are called to take responsibility for our personal health: to prevent illness and to seek a healthy lifestyle. Health means concern for the physical, emotional, social and spiritual health of our communities, respect for God's creatures and the nurturing of the whole earth.

Happy Mothers Day

Her love is unconditional her heart has no bars.*

*A Mothers teaches her children to be confident and bold,
Her special love to her children is more valuable than silver or gold.*

*A Mother picks up her children and wipes away life's tears,
She chases away monsters in the night and silences their fears.*

*A Mother celebrates her children's accomplishments in life,
She hurts and cries with them when life brings times of strife.*
